

Established since 2009 on the French Riviera (South of France), our **International Montessori School "Les Colibris"** is accredited by AMF (AMI French affiliate) and ISMM (AMI French training center), and signatory of the charter of Montessori schools in France. Our vision is to help and inspire children to become fulfilled and committed individuals for a better world.

Nestled in lush greenery, our School and College welcomes around 150 children from 2 to 15 years old within 7 bilingual Montessori classrooms.

As part of our development, we are looking urgently for the 2021-2022 school year, for an

Adolescents (12-15) Montessori Teacher

French or English mother tongue

12-18 AMI graduate or ongoing diploma

Middle school teaching experience is a plus

European Union (EU) passport or EU work permit

Part time or Full-time contract, available now for the start of this academic year.

Under the responsibility of the Pedagogical Director, you will participate in the development of our new 12-15 year Montessori cycle.

As such, you implement Montessori pedagogy and principles, with the aim of providing adolescents with optimal conditions for discovery and learning. Responsible for the organization and management of your class and its activities, you also ensure daily communication with parents and participate in meetings and activities organized by the School (educational meetings, open days, parties, outings...).

Passionate about your job and having all the pedagogical and interpersonal skills essential to carry out your missions, you show your strength of proposal and bring real dynamics to teamwork.

Would you like to join us? We can't wait to get to know you!
